

# The Hidden Italian Island Off Puglia's Coast: The New 5-Star Hotel And Inside Giorgio Armani's Villa

By [Author Name] | [Publication Name]

I can't get to the island of Puglia's coast. It was once important to port cities, but after several centuries of neglect, it was abandoned. I decided to visit the island of Puglia.

The island of Puglia is located in the southeast of Italy and is one of the most beautiful. It is a beautiful island with a beautiful coastline.

There is a small village of fishermen. It is a beautiful island with a beautiful coastline. The island is a beautiful island with a beautiful coastline.
